

# GROUND JUNIPER: LEAVES AND STEMS

## GUARANTEED ANALYSIS

For further manufacturing of feed. Use as a dietary roughage for ruminant animals.

### Guaranteed Analysis

Crude Protein (min) ..... 5%  
Acid Detergent Fiber (max) ..... 44%

Manufactured by: Redeemer Feed, LLC  
10 Industrial Blvd., Eden, TX 76837

## FEEDING DIRECTIONS

- \* It is not recommended to use this ingredient as the sole feed source.
- \* To be fed as a dietary roughage for ruminant animals according to good feeding practices.
- \* Maximum inclusion rate should be determined according to animal species, weight, class, stage of production, and other related factors. For assistance, contact your nutritionist or Redeemer Feed.

OUR **RIGOROUS** QUALITY ASSURANCE PROGRAM GUARANTEES THAT YOU WILL ALWAYS RECEIVE HIGH-QUALITY, PURE JUNIPER FIBER.

**DO NOT ACCEPT ANYTHING LESS FROM US OR OUR COMPETITORS**

## FEATURES and BENEFITS:

- (1) Steady, competitive pricing;
- (2) Absolutely ZERO PRICE GOUGING during times of roughage shortage;
- (3) Can consistently be delivered throughout the year because it grows 365 days/year;
- (4) Is not a seasonal ingredient and thus, supply is not affected by weather events such as drought;
- (5) Has consistent physical and nutritional characteristics due to it not being seasonal;
- (6) Flowability and ease of handling is much greater than ANY other roughage;
- (7) No one can match our rigorous quality assurance program;
- (8) Zero inputs by man to grow: no cultivation, no irrigated water, no fertilizer, no pesticides, and no herbicides.

**100% ALL NATURAL**
